The Grenada Cancer Society was the beneficiary of Co-op Bank's Healthier Lifestyles Programme for 2013. The Society received a total of twenty-four thousand, three hundred and ninety nine dollars, forty six cents (\$24,399.46).

The Bank's Healthier Lifestyles Programme is comprised of two events, the annual **Pump it Up** Family Fun Walk and a Health Extravaganza branded, **HealthEx**, which occurred for the first time this year.

Dr. Barrymore Mc Barnette, President of the Grenada Cancer Society said, "The Grenada Cancer Society is extremely grateful for this donation from the Grenada Co-operative Bank. It represents the largest single donation received from a corporate body. I can assure you that it will be used efficiently towards the prevention, diagnosis and treatment of cancer in Grenada."
