

PRESS RELEASE

Co-op Bank gives to the General Hospital

Grenada Co-operative Bank Limited proudly continues to extend its support in a number of areas, including education, social services, sports, and cultural development.

On Friday, June 6, 2014, Co-op Bank, in an intimate ceremony presented a heavy-duty commercial washing machine to the General Hospital. This machine is intended to service the Operating Theatres, the Recovery Room and Intensive Care Unit at the hospital.

Sister Burris receives the gift from Co-op Bank Marketing Officer, Ericka Hosten

Dr. S.A. Pierre was present during the handover ceremony

During the handover ceremony, Dr. Pierre and Sister Burris indicated that this gesture would significantly enhance the quality of care given to patients and improve on the efficiency of aforementioned units. The health care officials were satisfied that Co-op Bank responded to their call for assistance.
