LEVEL UP!

To our new Visa® International Debit Card

Dear Customer,

Grenada Co-operative Bank Limited is pleased to offer our enhanced Visa® International Debit Card with chip and contactless technology. Enjoy:

ADVANCED SECURITY

PIN authorization of all Point of Sale purchases is now possible. For added protection (1) Secure your PIN (2) Sign up for the free, Verified by Visa® service which helps to make online purchases more secure. Swipe and sign payment is also possible at merchants who have not yet updated their system.

MORE CONVENIENCE

Access your account through eBanking and at all CONNEX branded ATMs. Enjoy safety and flexibility with cashless Point of Purchase transactions at a wide range of merchants locally and internationally as well as online shopping. You have access to your account anywhere in the world.

TAP & GO TO PAY!

Contactless technology means your card may not have to leave your hand at some Points of Sale because now you can do rapid, tap and go transactions*.
